

## AP 2-D Design

- **June-August**

### Summer Assignments:

The purpose of the summer assignment is to continue the art experience throughout the summer break. The work is due at the end of the first week of school. The assignments will be the first three grades for the First Quarter of the year.

1. Museum/gallery/studio visit: Visit at least one place where art is being exhibited. Spend some time there and choose three artworks to write about. These should be three works that affect you personally. (I.e. like, dislike, intrigued, offensive, etc.) On the page with your writing, include a detailed drawing of the chosen artwork.
2. Find three artists (these may range from pre history through modern) whose work really interests you. Research their work in books, on the Internet, or in person. Describe the issues they explore in their work in your sketchbook. I have included a suggested artist list in the syllabus.
3. Choose four of the following projects and complete for critique during the first weeks of school:
  - Still life
  - Building façade rendered in pen and ink, using only hatching and cross-hatching
  - Figure study
  - An ant's eye view of a landscape using torn paper
  - A futuristic cityscape
  - Two art journal pages
  - Invent a company, create a logo and letterhead for the company
  - Create a CD cover (inside and out-including song titles) for a fictitious band
  - Interior of your bedroom closet
  - Handmade paper journal
  - Personal statement made through altered art
  - Full size interpretations of the human figure.

You may contact me for any materials that you have forgotten to take with you. For example, you may want to use bulletin board paper for the human figure.
