

A.P. Drawing

Summer Assignments

Mrs. Dember

I have included the first nine weeks assignments for this class.

You may choose any **three** assignments from the first nine weeks as well as **one** free choice.

You will complete four assignments in all using the 11x14 paper provided or an equivalent size from your sketchbook and your medium of choice... I would caution against using graphite for all four.

We will critique them upon your return.
