There's more to sports than being an athlete! Check out these careers below!

- Athletic Director - Plans and directs sports activities at a college or university.
- Athletic Manager - Works directly with athletes by negotiating contracts and business affairs.
- Coach - Helps out in little league, middle school, high school, college, or even the pros!
- Fitness Trainer - Sets up conditioning and fitness programs.
- Professional Sports Scout - Finds sports superstars by looking for pro athletes.
- Ski Patrolter - If you can't make it to the Olympics, protect people on the slopes!
- Sports Instructor - Teaches sports activities at recreation centers.
- Sports Caster - If you can't play it...report it on the news and radio.
- Sports Journalist - Write about all of the exciting games and sports news.
- Team Manager - Assists coaches and athletes with training, organization, and game plans.
- Statistician - Keeps the stats for the coaches and teams at games.
- Sports Officials - Officiate games and be in on the action in the field and on the court.
- Athletic Club Manager - Builds strong athletes by managing a gym or fitness center.
- Commentator - Call the shots at every game as you see them, play by play.
